GUIDELINES, INSTRUCTION & UNDERTAKING

Please read these terms & conditions carefully as they shall form part of the relationship between the Student and Britts Imperial University College FZC (hereinafter referred to as & Britts Imperial University College & "BIUC"). It is important that you make sure that you have read and understood all these conditions and confirm that you accept these conditions when you sign this form. The terms and conditions apply regardless of changes made to a student & study programme or as originally stated on the Application form:

1. Provisional Application and Admission

1.1. To admit a student at BIUC, the Admission Form & must be completed, signed by the Applicant and Parent / Guardian (wherever necessary) either physically or digitally. You can send your application directly to email address with all the required documents as per Admission Procedure Guidelines or fill online application form

1.2. If you have filled the application form online, then it is construed that you have read, understood, and agreed to all the terms and conditions uploaded on the terms and conditions section (or a section with a similar name) of the website or that provided at the time of filling the online application form.

1.3 Applicant needs to successfully complete the evaluation process including Interview, English placement test and submit work experience documents if applicable

2. Confirmation of Admission from the Awarding Body or the partner University

2.1 Applicants are advised to complete all the formalities for the said registration process very carefully including timely submission of required Academic Documents.

2.2 Applicants may receive Conditional Confirmation of Admission from the College within 30 days from the date of submission of full set of Admission Documents and student visa application documents where applicable. The applicant is required to sign the Conditional Admission Confirmation Letter. If the candidate follows the procedure for acceptance of offer for admission, then the candidate is assumed to have been admitted and seat will be considered as reserved, and the tuition fees will become due.

2.3 The Awarding Body or the Partner University reserves the right to accept or decline the admission to the study programme at its discretion. The decision of the Awarding Body or the Partner University shall be final and binding on all. If the awarding body or the Partner University refuses to accept the admission of the student after BIUC having given the admission, then BIUC will have to cancel the admission of the student in the said course and may try to register or admit the student another course. If transfer to another course is not possible then Britts Imperial College will refund only the tuition fees for the course that registration was refused by the awarding body or the Partner University and will not refund any other charges that were paid or other personal expenses that the student may have incurred.

2.4 If the student expresses the desire for cancellation of admission or cancellation of student residence visa sponsorship of the college, before the registration is done with the awarding body or the Partner University, the college may at its discretion choose not to register the student with the awarding body or the Partner University if the college feels that further tuition fees may not be received from the student.

If the student later expresses the desire to continue with the admission, then there will be a delay in the completion of the course for the student because they will be registered with the awarding body or the Partner University later when they express their desire to continue with the admission and not cancel.

2.5 In case of Degrees or Qualifications awarded by partner university as a Top Up or upon transfer of credits, the registration of the applicant will be done with the University after the applicant has completed the relevant credits with Britts Imperial College for the preceding qualification. For Instance, if the applicant has registered for MBA with specialization in Events Management with Britts Imperial College for the degree to be awarded by Universidad Catolica San Antonio De Murcia- Spain University (90 ECTS), then the applicant is required to first required to complete 60 ECTS or 120 UK Credits at UK Level 7 with Britts Imperial College and then complete the remaining 30 ECTS with Universidad Catolica San Antonio De Murcia- Spain University. In such a scenario the student will first be registered with Britts Imperial College and UK awarding body like ATHE for Level 7 and then be registered with Universidad Catolica San Antonio De Murcia- Spain after completion of the required UK Credits.

2.6 Note that there is no refund of any charges or fees, upon cancellation of admission by the student and that the full tuition fees for the course are due to be paid before the cancellation of admission or cancellation of residence visa sponsorship can be processed.

3. Centre for Examination and Centre for Study

3.1 The location of the Centre for Examination shall be allotted by either BIUC or Awarding Body or the Partner University and is subject to change as per Awarding Body or the Partner University norms and the applicable regulations. Student shall be given reasonable notice wherever possible.

3.2 The place for delivery of the sessions and lectures will be at the discretion of BIUC and will also be based on your choice of programme. If the programme is a multi-country delivery format programme, then the delivery will happen at designated centres in those respective countries or electronically using technology. The delivery may happen at partner university campuses or centres to maintain the quality of the course and programme and as may be deemed suitable by BIUC.

3.3 The mode of delivery can be online or on campus based on the sole discretion of BIUC based on the circumstances and regulatory requirements or operational convenience of delivery. The application will not be given any refund or cannot claim for change in the structure of tuition fees or any other fees if the mode of delivery changes from on campus to online or vice-versa or to hybrid method of delivery. The change in the mode of delivery will not be held or entertained as any ground for complaint by the applicant.

4. Progression to the partner Universities

4.1 Britts Imperial University College is an accredited academic Centre of prestigious and reputed Universities and Colleges, like Universidad Catolica San Antonio De Murcia- Spain, International University of Applied Sciences - Germany, Eucléa Business School - France and others which are the bodies that quality assures their respective programs and awards the qualifications, degrees and credits to the students. Britts Imperial College's partner University and Colleges will award the degrees to the students.

4.2 Britts Imperial University College is not a autonomous degree granting institution or university. BIUC is the academic center of its partner universities which award the degrees or credits.

4.3 University partners may be able to award degrees of their university and additional dual degree arrangement with their partner university. For instance, International University of Applied Sciences – Germany degrees are recognized by London South Bank university and they award a degree upon completion of International University of Applied Sciences – Germany degrees to students. Britts Imperial College is not to be construed as academic center for the universities which are dual degree partners (Hence Britts Imperial College is not an academic center of LSBU).

4.4 If any education consultant, agent, or employee of the college has mentioned that the college will award the degree then the same is to be construed as a false statement which is not endorsed by the BIUC. It is the onus of the student to bring such matter to the notice of BIUC and seek clarification.

Students must be aware that transfers to any overseas campuses, associated Universities or colleges are subject to the relevant visa requirements set by that country. Tuition fees, scholarships and grants are also unique to BIUC and will not be applicable to the campus or university you will choose to transfer to. BIUC does not guarantee transfer to any university or campus of its partner universities, it will only support the student in the process of transfer. It is at the discretion of the university on the number of credits to be exempted, whether to accept the student admission or not, or to induce incremental entry requirements like English language test score.

4.5 If any education consultant, agent or employee of BIUC or any person claim that the degree will be attested by UAE ministry of Higher Education, then the same is to be constructed as false statement, which is not endorsed by BIUC. It is the onus of the student to bring such matter to the notice of BIUC.

5. Cancellation, Fees and payment terms

5.1 Students are expected to carefully check the applicable fees and other charges applicable for the study programme and make payment on the defined due dates. Failure to do this may result in suspension from the programme, and/or cancellation of Admission and cancellation of student residence visa sponsorship.

5.2 There is no refund of any fees or charges paid upon cancellation of admission, whether the academic year has started or not. The admission cancellation process and / or the residence visa cancellation process will not proceed until the full course/qualification tuition fees and other charges as applicable are fully paid by the student.

5.3 If the student has been provided installment payment flexibility, and there is cancellation of admission after start of the academic year or issuance of the Student Visa entry permit, then the remaining installments of tuition fees become due immediately the same must be paid before the cancellation of admission or cancellation of visa process can begin.

5.4 The cost of travel, transfers, visa, lodging, boarding, airfare, or any expenses other than tuition fees of the programme will have to be borne by the student only, whether in Dubai or any other international location of study.

5.5 The college can facilitate payment of tuition fees or other charges in various installments. The college has the right to hold the original documents of the students including, but not limited to, previous original transcripts, mark-sheets, academic certificates, passport or Emirates ID for safekeeping until the full tuition fees are paid by the student. The student will have to make payment for all tuition fees and other charges due before they collect their Emirates ID.

5.6 For all considerations with respect to tuition fees, the full course enrolled for, will be kept as base for any calculation or consideration and not the installment amounts.

5.7 The Bank charges or remittance charges levied by banks or credit or debit card companies are to be borne by the student and the college should receive the amount of fees in full. If there are any deductions on account of any charges by bank or credit / debit card companies then the same will be shown as outstanding to be paid by student.

5.8 If there is any default or delay in the payment of the tuition fees or other charges due to the college then the college may put on hold the academics of the student. This may result in delay in certification for which the college is not responsible. The college will not release the certificate or transcripts of the student until all the due tuition fees and other charges are paid in full.

5.9 Even if the student can complete the course in less than the target duration or even if he takes more than the target duration, the tuition fees for the course will remain the same and the student is liable to pay the full tuition fees assigned for the course.

5.10 The tuition fees are quoted and to be paid for each level of course, and not as per semester or modules of study. The student cannot ask to pay tuition fees proportionate to the number of lectures attended or proportionate to the number of modules studied or exam appeared for.

5.11 The student visa related fees and charges cannot be refunded once paid by the student. No refund of visa charges or fees will be issued even if the entry permit issued is not utilized by the student to enter the country. Once the entry permit has been issued, the student will be liable to pay all the tuition for the course registered for because a seat will have been blocked by the college.

5.12 Tuition fees, Visa and medical insurance fees or any other fees shall not be refunded once the visa has been applied for, or once the enrollment fees is paid confirming the admission. There is no refund of any money upon cancellation of generated Visa Entry Permit whether used or unused.

5.13 The charges for Entry permit extension for the expired unused entry permit will be USD 350 per extension or renewal of entry permit unused and expired.

5.14 Fees are subject to change depending on the exchange rate at the time of payment. If the tuition fees are paid in a currency other than the currency in which the fees payable were quoted, then the student should ensure that the fees that BIUC receives is the full due amount without any deduction of any bank charges or remittance charges or any other charges whatsoever.

5.15 The tuition fees are always determined in USD or AED equivalent only. If the fees for communication purpose have been conveyed in INR or any other currency, then the tuition fees will be the USD equivalent as on the date of issue of admission confirmation or offer letter.

5.16 In case of any outstanding amount towards the fees or any charges due to the BIUC, the BIUC has the right to withhold the student from appearing for the exams or assignments, withhold their transcripts or other original documents, withhold them from attending lectures and withhold transfer or cancellation of student residence visa or entry permit. The college may classify the student as abscond if there is consistent absence of the student in attending lectures.

5.17 In case of non-payment of tuition fees, BIUC can cancel the student without any intimation to or approval from the student.

5.18 If the student does not pay the Accommodation fees or charges by the due date, BIUC has the right to have the student to vacate the premises or accommodation. If the student does not agree to vacating, then it will be considered as trespassing private property and illegal occupation and the college can have the premises security take stern corrective measures. Student opting for the College & Student Accommodation accept all the terms and conditions.

5.19 In case there is delay in payment of tuition fees or any other charges beyond stipulated due date by the student, a late fee for late payment of up to AED 150 for the first week of delay and then AED 50 for every further week of delay will be levied and the same cannot be contested by the student.

5.20 If there is any cheque bounce then a penal charge of AED 250 will be levied by BIUC.

5.21 In case of any default or delay in payment of fees, the college must register any legal matter with any authority or any courts, then a penal charge of AED 15,000 towards litigation administration will be levied and additionally, the student or the parents of the student will have to bear the legal expenses incurred towards court fees and lawyer fees as billed in actuals by the lawyers or courts.

5.22 As the academic center for various partner universities the student will pay tuition fees to Britts Imperial University College for the program or course enrolled for. Any fees or charges once paid to Britts Imperial University College are non-refundable. The fees can be demanded for refund only when the student visa is rejected by immigration of UAE for a student who wanted to enter into UAE and study on-campus in UAE and the student has not agreed to or started the studies through online format.

5.23 The tuition fees to be paid when transferring to another partner institution campus, is subject to change and subject to the tuition fees offered and quoted by the other institution. Britts Imperial University College will only mention the indicative fees and it cannot be held liable for the indicative fees.

5.24 Upon cancellation of admission or cancellation of entry permit or cancellation of student residence visa, the student will not get any refund for tuition fees, visa charges or any other fees paid. Upon expression of cancellation of admission or cancellation of entry permit or cancellation of residence visa sponsored by the college, the remaining tuition fees for the full course will become immediately due and will be payable before the cancellation can proceed.

5.25 A due process for cancellation of admission or cancellation of residence visa sponsorship must be followed. Cancellation cannot happen only by sending email or verbal or written communication, which is not in, the prescribed form. The prescribed cancellation form must be duly filled and signed by the student, with the signature and consent of the parents or guardian and referring education consultant if any. The cancellation process, upon receipt of the cancellation form in physical at the administration office of the college, may take between 30 days to 60 days for processing.

5.26 If the student cancels the admission with Britts Imperial University College after having accepted the offer for admission, full tuition fees will be due and payable by the student because the student seat will be reserved upon acceptance of admission offer. If the student cancels the admission with Britts Imperial College after having started the lectures and classes, then the remaining tuition fees unpaid will become due and payable immediately. There is no refund of any amount or any installments previously paid.

5.27 Admission is confirmed once the offer for admission has been accepted by the student, subject to clearance of visa process by immigration (for Students opting for Student Visa). For the students not opting for the student visa, the admission is considered confirmed upon acceptance of admission confirmation letter. Acceptance of the admission offer is considered when the student signs the offer letter and deposits the admission application fees or visa fees or part of the tuition fees or enrollment fees.

5.28 The tuition fees due and payable is the full course tuition fees, and not just the installment amounts. Installment amounts are only for flexibility of payment.

5.29 Refund: If after the student enters the UAE, there is a rejection in Visa process due to failure at the stage of medical test in UAE or at any stage, the student will have to move out of the country as per the procedures of the immigration. In such a scenario, the student will have to bear all his expenses of returning to the country. Any fines of overstay or absconding procedure will be borne fully by the students or their guardians. The student will be eligible for refund of the tuition fees already paid but not for the visa charges.

5.30 Tuition fee charges are determined based on enrolment status and not actual attendance. This means that if students stop attending, but do not formally withdraw from or interrupt their studies, they will be liable for tuition fees. Students should contact the Student Affairs Department for the formal process of interruption of studies/deferral of studies.

5.31 Fees for Executive Dual Masters

Accepting the terms & conditions implies that the student has understood and agreed to pay the additional fee of USD 1,000 applicable in case of selection for Executive Dual Masters degree.

6.2 The student must obtain the No Objection letter from the college if they choose to do any internship or work, whether paid or unpaid, while they are studying at the college, to process part time work permit from the relevant ministry or authorities. If the student does not obtain the part time work permit, then it may be construed as illegal work and the college at its discretion may cancel the sponsorship of the visa of the student. NOC issued by the college alone cannot be the basis for part timework or internships undertaken by the student.

7. Handover and safekeeping of passport, Emirates ID and other original documents

7.1 The college will need to take the passport of the student for processing of residence visa of the student. The college is not responsible for any mishap or loss that may occur to the passport during the process whether the passport is with the college or other parties like processing agencies or immigration or other authorities. The college will not be responsible for any damages or compensation in the event of occurrence of any mishap or loss to the original document.

8.3 Any student found to have misled Britts Imperial College of their qualifications, medical or psychological history, learning difficulties, or suitability for entry will be subject to expulsion from Britts Imperial College without recourse to refund of fees already paid. The student and Britts Imperial College must agree and accept the grades awarded by the awarding body or the partner University.

8.5 This may lead to resubmission or re sit or retake for assignments or exams and may also lead to delay in the progression of the student to the next academic session and may delay the certification of the student. The student will have to bear the expenses of such resubmission of exams or assignments, or re sit or retake of modules. There will be a cost to re sit an exam and resubmit your assignment. The cost for the same will be informed to you.

8.6 If the awarding body or University rejects or asks for resubmission of assessments, assignments, or exam papers by the student for any reason then the student must, irrespective of the marking or assessment previously done by Britts Imperial College assessors, re-perform the assignment or resubmit the same. The college is not responsible or liable in the case where the assessment done by

Student's Signature

11.3 Students, who interrupt their studies without prior and explicit approval from Britts Imperial College, must pay the latest tuition fees at the time of returning to studies along with any other outstanding balance.

11.4 If a student receives a 'Fail' grade in any module and subsequently, upon receiving approval from the Programme Leader, repeats the module or alternatively enrolls for a compensating module, the student will pay the tuition fee for the module as per the most recent fee rate.

12. Student Visa Application & Charges

12.1 Britts Imperial College can process Student Visa for International and Local students studying on any of our academic programs.

12.2 Student visas are issued for duration of 12 months at a time; hence a student may require 2 or 3 or more renewals depending on their course duration of study at Britts Imperial College.

12.3 The process normally takes up to 60 days and typically applications undergo a security check by UAE government authorities (which may occasionally result in delays beyond the control of College). You are advised to apply as early as possible if you require a Student Visa.

12.4 For expat students residing in the UAE who wish to apply for student visa, and for all international students, Student Visa cost of USD 1100/ AED 4100 must be paid along with admission form (i.e., after acceptance of application form by College). This cost includes the cost of student visa, medical check, medical insurance in the UAE and Emirates ID residence card.

12.5 The college may safekeep the original passport for the further processing related to student's residence visa, medical insurance, and other formalities or during the due's clearance process.

12.6 There is no refund of any fees or charges paid upon cancellation of admission. The admission cancellation process and / or the residence visa cancellation process will not proceed, at the discretion of the college, until the full course/qualification tuition fees and other charges as applicable are fully paid by the student.

12.7 Student Visa will not be renewed until the student clears the total outstanding. If there any government charges due to delay in student visa renewal, student will be liable to clear all such dues before the college can process for the renewal of student visa.

12.8 Student Visa will neither be renewed not canceled until clearance and payment of any outstanding amount towards tuition fees or any other charges due to the college, by the student, at the discretion of the college. If delay in clearance of this outstanding amount leads to delay in student visa renewal, then any late fees or penalty charged by the authorities will have to be borne by the student and paid before student visa renewal starts.

12.9 Upon expiry of the student visa, if the same is not renewed then it will not automatically cancel but will need to be cancelled by paying the visa cancellation charges of AED 1500 in country and AED 2000 for outside country cancellation.

12.10 The college can cancel the student visa of the applicant upon any disciplinary matter or upon the indication or fear of any defamation of the college, or indecent behavior towards the college or its personnel or public in general. The college can unilaterally, without the consent of the student, cancel the student visa of the student if it has any hint or apprehension of inappropriate behavior or breach of policy of the college or a fear of illegal activities or absconding by the student. The student will have to leave the country within 15 days of cancellation of the student visa. If the student does not cooperate in the cancellation procedure, then the college can lodge

Student's Signature

complain with any regulatory authority as deemed fit and take legal action against the student including but not limited to imposing AED 15,000 as legal charges.

12.11 In general, once the student residence visa sponsored by the college has been issued, the college will not cancel its sponsorship of the student visa or cancel the student visa, before the expiry of the tenure of the visa as per the college policies, or until the full tuition fees are paid. If in exceptional cases, it is considered to cancel the student residence visa, then the cancellation will be processed only after the full course tuition fees and other charges are paid. The above policy is applicable immediately after the entry permit has been issued irrespective whether the visa has been stamped on the passport or is yet to be stamped.

12.12 The student will have to inform the visa department of the college to cancel the visa upon expiry of the student visa tenure if the student visa is not being renewed. The cancellation charges for visa are to be paid even if the visa has naturally expired and is not being renewed, irrespective of whether the programme is completed or not.

12.13 The cost of student visa cancellation is AED 1500 for in-country cancellation and AED 2000 for outside country cancellation which the student will have to bear. If the student visa is not being renewed, then too, the visa needs to be cancelled upon its expiry.

12.14 The Student Visa is a 1-year duration visa, which will have to be renewed 15 days before its expiry if the student is continuing to study for the second year. Any penalty on account of delay in renewal of visa will be borne by the student and will be shown as outstanding to be paid by the student.

12.15 If the student does not change the status, after cancellation of visa, the penalty and fines related to the same will be borne by the student and an additional penalty of AED 5000 will be levied by the college.
